

Questioning to Understand

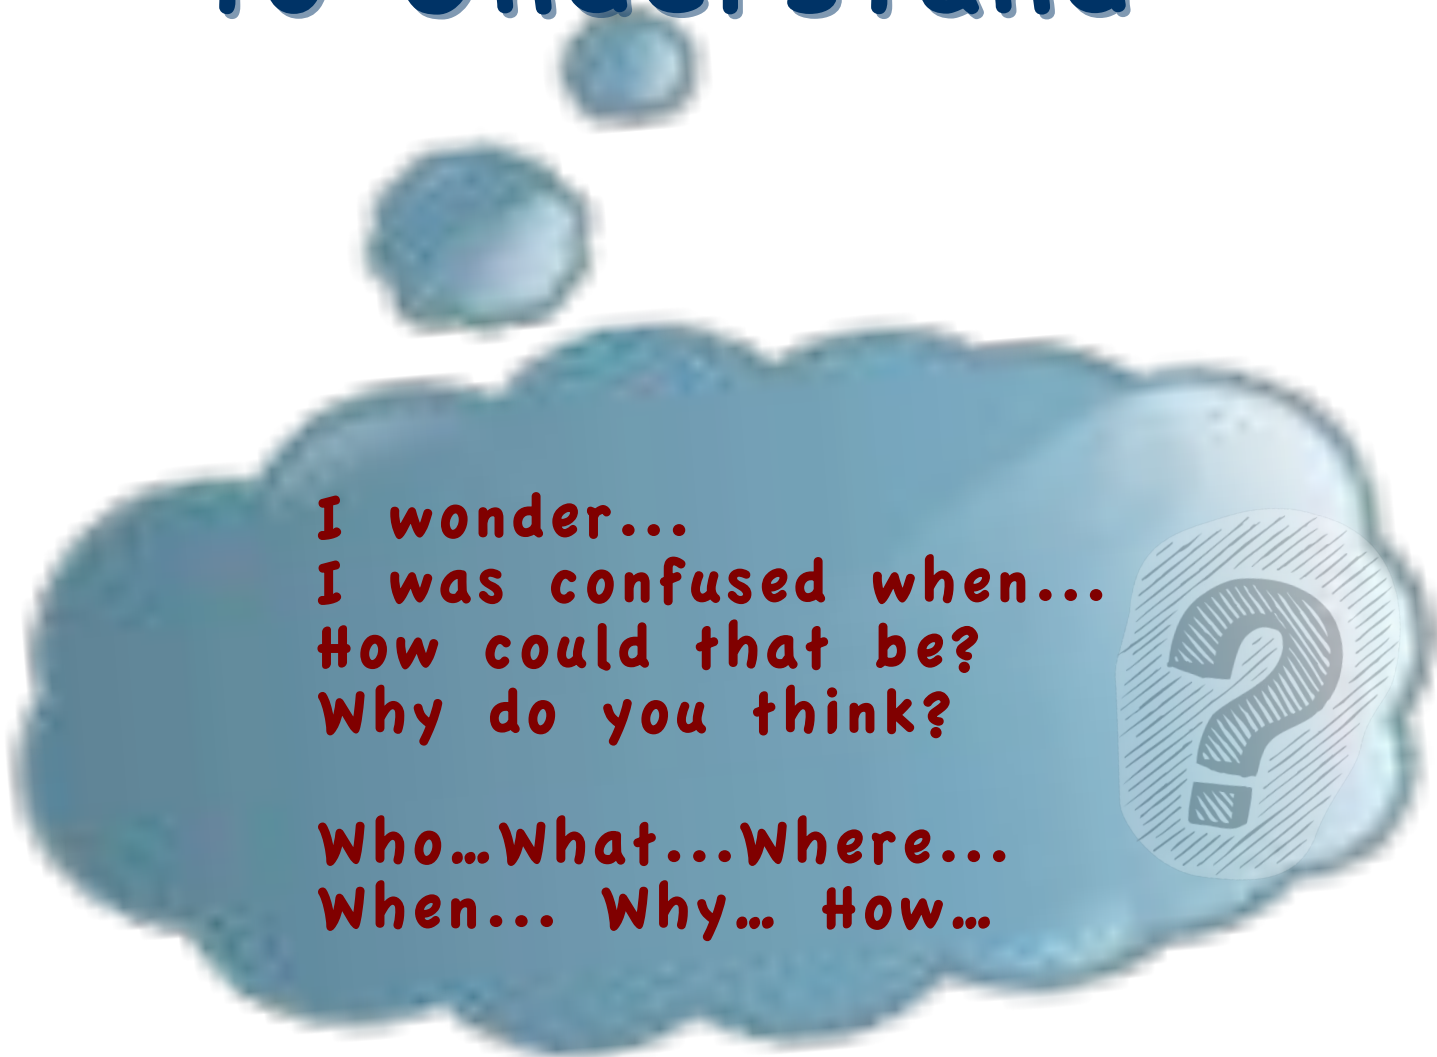

**I wonder
why...**

**Asking questions and looking for answers
before I read
as I read
after I read.**

**I wonder...
I was confused when...
How could that be...
Why do you think...
Who... What... Where... When...
Why... How...**

When... Why... How...

I ask questions and look for answers -
before I read
as I read
after I read.
