

# Visualising

**I see what I read...  
It's like a movie in my mind.**

**I create pictures in my mind  
as I read**

# Visualising

**I create pictures in my head as I read.**

**I see what I read.**

**It's like a movie in my mind.**

# Visualising

- **As I read I create pictures in my mind.**
- **It's like a movie in my head.**
- **I see what I read.**
